Grade school may get new playground by next September

It looks like there is a good possibility that the Antioch Lower Grade School students will have a new set of playground equipment come next September.

According to Antioch Lower Grade School Principal Harley Ware the plans for the new equipment are complete, even to a miniature model of the proposed set-up that its estimated to cost \$9,000.

Ware says, "The PTO has guaranteed us \$3,000, the Antioch Village Board has also committed itself for a like sum. We are hoping that the school board will approve the final \$3,000 at the upcoming Feb. 17 meeting."

The Antioch Village Board unanimously approved the \$3,000 commitment after Parks Program Director Glenda Tomaschik asked the board for the additional funding.

Tomaschik said that the Parks Program was planning a "Winter Ball," at Harbor Ridge Country Club, March 7, to raise some of the village's share of the playground equipment's cost.

"The village will get \$1,000 from revenue sharing and the balance needed after the profits from the "Winter Ball" are all added up, will come from the general fund if needed," says Village Clerk Marilyn Stenberg.

The new playground equipment will be ad-

ded to what the grade school already has on both of its playgrounds.

According to Lynn Wetterberg, fifth grade teacher who has been working on the project, "We have modified the equipment to add to what we have to best fill our needs."

The playground for kindergarten and first and second grade students will have a moving balance beam, a tire swing, slide pole, turning bars, ladders, bannister slide, two tire climbs, a rope climb and a tunnel slide.

The playground for the older pupils, from third through fifth grades, will have a steeper rope climb, series rings, ladders, side pole, turning bars and a cable walk, among other equipment.

The safety factor has been considered since three to four adults will be supervising playground activities along with Ware, with strict rules being enforced by promised detentions for infractions.

If all monies are approved and raised, the employees of the school district will be busy at work next summer installing the equipment slated to be in when the first school bell rings next September.

The subjects, who ran from the cash register area, were apprehended in the locker room.

Both men were to be taken to Lake County Courthouse on Monday for a bond hearing.

Chamber installation

Annual fete is fun

BY GLORIA DAVIS

This year as in previous ones, the annual Antioch Chamber of Commerce and Industry's Installation Dinner Dance was one of the highlights of the local social season.

Harbor Ridge Country Club was the scene of the event, Saturday, Jan. 24, was the date, and a "whopping good time" was had by all who attended.

A blaze of yellow ribbon corsages was worn by both males and females alike, in honor of the returning hostages.

The delicious prime rib dinner was followed by the program emceed by Jack Siegmeyer who introduced last year's Chamber President Dan Dugenske.

Dugenske recounted the Chamber's "most successful year," and gave certificates of recognition to 1980 officers and committee chairman; Mark McKinney, first vice president; Bill Groeninger, second vice president; Sharon Simon, secretary-treasurer; Pat Shershon, director; Pete Cleven, director; Bernie Gunty Sr., director; Robert Taubitz, director; Bruce Jablonski, director; Laddie Korecek, retail committee.

After giving a special "flowery" thanks to Chamber Secretary Dixie Sparks, Dugenske turned the presidential gavel over to the new president Mark McKinney, who in turn

introduced the officers for 1981: Bill Groeninger, first vice president; Sharon Simon, second vice president; Dan Dreyer, secretary-treasurer; Robert Taubitz, director; Bernie Gunty Sr., director; Bruce Jablonski, director; Bob Mattson, director; Pete Cleven, director; Laddie Korecek, retail committee; Dan Dugenske, industrial development; Edward Bakshis, art fair; Michael Gantar, legislative; Sandi Siegmeyer, beautification; Paul Pavelski, ways and means; Bruce Jablonski, civic relations; Dan Dreyer, membership-dues; Lillian Larson, Christmas; Dixie Sparks, dinner dance.

McKinney began his inaugural address by poking a little fun at Antioch's highly populated mayoral race with its controversial full-time, part-time issue.

After 1980 was again heralded as a highly successful year for the Chamber and promises of making 1981 even better were heard, the entire assemblage took to the dance floor where they moved to the music of "Total Eclipse."

I almost forgot about the appearance of the biggest celebrity of all, a mysterious bird-like creature, who presented McKinney an award from the Old Owl Assn. of Greater America for "Giving a hoot."

Good news in The News

Mystery Millionaire

Antioch's mystery millionaire will be in town next month and will be throwing some of his "millions" around town.

All parents of St. Peter's students are cordially invited to attend an Open House at St. Peter School, following 9:30 a.m. Mass and continuing until 1:30 p.m. on Sunday, Feb. 1.

The contest will run through Feb. 14.

The winner wins a hamburger, fries and a Coke for his entire class.

Early News

Pardon us if we crow about the fact that the proverbial "early bird" will get the earliest news and the beginning of the week shopper after the Antioch News starts its first "beginning of the week" publication with the issue of Feb. 2.

"This will be another first for Antioch, a village that has always enjoyed being first," says News Publisher William Schroeder.

Early news and early week ads also bring about an earlier deadline, that of noon on Friday for news releases and 5 p.m. on Friday for advertisements.

School board fights Com Ed rate hike

Almost a month ago, after being presented with the pros and cons, from both sides, the Antioch Village Board decided, by a majority vote, not to intervene in the name of the village, in the matter of the 19.7 percent rate hike approval being sought by Commonwealth Edison.

Trustee Ron Cunningham was absent from the meeting and Trustees Edgar Simonsen and Vern Barnstable voted for the intervention, but the majority of the board, Mabel Lou Weber, William Seemann and Don Amundsen, voted to stay out of the controversy.

But the Antioch Grade School District has decided to take on Com Ed, along with many other area school districts and the Illinois Association of School Boards.

At a recent school board meeting, a motion was made by school board member Bruce Jablonski, to enter into a common lawsuit with the Illinois Association of School Boards to contest the proposed Commonwealth Edison electrical rate increase, as it applies to schools.

The board unanimously approved the motion which included a maximum payment of \$2,000, provided that the lawsuit is litigated through the lower courts and at the

State Supreme Court level.

When the motion was approved, the \$2,000 cost was based on the involvement of 30 school districts, since then 60 school districts have joined in the fight and the Antioch Grade School District's share has decreased to \$750.

According to Antioch Grade School District Superintendent Don Skidmore, the school district will have to re-approve any additional expenditure, if the lawsuit proceeds after their original \$750 has been spent.

Skidmore says, "It's not so much what is being charged, but how it's being charged."

"School districts as a whole have been traumatically affected because of their rate structure," Skidmore continued.

He is referring to the structure that is based on peak loads even in the summertime, when schools are operating with a minimum use of electrical power.

"In the last two years our electric bill has gone up 40 percent, or \$40,000. That's a lot of money," says the school superintendent.

Antioch Grade School District 34 has an annual electric bill amounting to \$130,000 for the operation of six buildings.

Editorial Opening a new chapter

Next week The Antioch News moves into a new chapter in its long and colorful life of service to the Antioch community. We will move to an earlier publication date, becoming a true early week newspaper. The News will be available Monday with its next edition.

Why Monday?

A newspaper is an instrument of service, providing the community it serves with information on public affairs and the offerings of local businesses. Put simply, we feel that The Antioch News can be of greatest service to its readers and merchants of the Antioch area by publishing earlier than it has been. We're excited — and more than a little proud — that The News will be "breaking out of the pack" of the publications coming out later in

the week.

As an early week newspaper, The Antioch News will provide fresher news. We will be giving Antioch merchants a new tool and a new opportunity to stimulate business at a time that traditionally is slower paced. The early week publication will afford our reporters and editors an intriguing new opportunity to take a different approach in presenting local news coverage.

Antioch is large enough and economically sound to utilize the services of an early week newspaper. The Antioch News, 95 years old, is the first non-daily Lake County newspaper to adopt an early week publication schedule. We think there should be a measure of pride in this accomplishment. We look forward to seeing you earlier than ever.

Mental Health Asst. schedules cotillion

Members of the Antioch Mental Health Association met at Cedar Village in Lake Villa Jan. 19. Arrangements for the meeting were made by Marge Warner, Secretary.

Annete Lubkeman, president, conducted the meeting. She announced that the Annual Cotillion would be held May 30 at the Abbey on Lake Geneva.

Thelma Anderson announced that the Manhattan Skyline is the band selected for the evening. The committee will remain the same as last year.

Louise Vos told the group about the dedication that she and Mr. Vos had attended of the Lambs new dining room. Betty Ford also attended this dedication.

Ruth Jedelee, treasurer, reported that

\$31,000 has been donated during 1980 to various organizations which help the handicapped and that a total of \$150,000 has been given to the Grove School in Lake Forest and the Lambs Farm in Libertyville, since the Antioch Mental Health Association was first begun.

Members were introduced to Mr. Don Samuelson who talked about Cedar Village. Cedar Village is a six story atrium building on a wooded site overlooking Cedar Lake.

He said the concept is to combine community activities with housing for the elderly, keeping the elderly busy and useful. Members were given a tour of the building including two of the apartments.

Death presumed suicide

Raymond A. Sumner, 18, Hardin St., Antioch, was found hanging from the rafters of a garage belonging to the home in which Sumner reportedly lived with his sister Kathy, who found the body at 7:55 a.m., Tuesday, Jan. 20.

According to the Lake County Coroner's office, Sumner had last been seen by his sister at 11:55 p.m. the evening before.

Sumner had attended Antioch Community High School during the school year of 1979-80 but was not in attendance this year.

According to Deputy Coroner Ed Van Dien, no clues to why the boy committed, what so far is presumed suicide, have been discovered.

He had a job at Thompson's Restaurant and there reportedly had been no big arguments or problems," said Van Dien.

The Antioch Police Dept. handled the initial investigation and turned it over to the

coroner's office where the investigation is being continued.

The coroner expects to have laboratory reports clarifying the death within three weeks.

Sumner was born on Jan. 25, 1962 in Burlington, Wis. and is survived by his father Wesley Sumner, St. Francis, Wis.; his mother, Patricia Sumner, Park Forest; two brothers, Russell and Andrew, Park Forest and two sisters, Maureen and Kathleen, Antioch.

Lake Catherine worries Carol

by CAROLE RISK

The citizens who live around and enjoy Lake Catherine are on the horns of dilemma. It seems that someone wants to give them a gift they can't afford to keep or to lose.

In 1977 as a experiment a \$25,000 aerator was placed in Lake Catherine by the Lake County Health Dept., to see if the quality of the water would improve.

The experiment was definitely a success, but here is the catch, the experimental funds are at an end.

LAKE CATHERINE can have the aerator free, but the maintenance costs (approximately \$16,000 per year) have to be picked up some other organization.

There was a meeting at Antioch Township Hall to discuss this matter with Major Mike Haley and Township Supervisor Jim Fields attending, but no conclusions were reached.

Lake Catherine's homeowner association representatives got together with a Doctor T. Nedved, of the Lake County Health Dept., on Jan 17 at Northshore Resort for further discussion, and it was decided to petition the Chain of Lakes Fox River Commission for help.

But here is catch number two. Apparently CLFRC will be out of funds by June.

DR. NEDVED explained that the maintenance costs are for power, chemicals and analysis, and that possibly something could be worked out where the aerator would not run at the same rate, that it is now running to reduce costs, but he stressed that without the aerator, Lake Catherine will revert to the condition that it was in before the aerator and the lake will continue to worsen, making swimming, fishing and other such pleasures unrealistic.

Dr. Nedved is impressed by the coalition of homeowners, stating that this is the first time in his experience that such a group has shown interest in retaining the benefits of a government funded experiment.

THE HOMEOWNERS associations are hoping to receive assistance and guidance from those who realize how important it is to local economy that Lake Catherine and adjoining Channel Lake remain healthy.

Lets face the facts folks, without our lakes, whats going to attract all those summer home buyers,

boaters, fishermen, etc., who spend their vacation dollars at all the Antioch area businesses?

Last week's Antioch News article on teen drinking in Wisconsin reminds me that this has been a frequently discussed topic among many parents in the Antioch area.

It is agreed that even the straightest kids are tempted to drink with the crowd, and that it is unrealistic to say that "my child would never do such a thing."

Although parents don't approve of the drinking, it was safer to have that drinking done locally, without the miles to drive back across the state line to Illinois.

It also has been said that possibly the state should have let the drinking age limit be a matter of local legislation, rather than a state-wide decision.

After all Chicago has its precincts that vote "wet" or "dry" which reflect their residents' wishes.

Antioch's new senior citizens center is certainly being enjoyed at its fullest capacity, with the senior citizens lunch program and the AARP combining their meetings there.

I hear that the Telecare — Meals on Wheels program is also based in the center.

It sounds like the center is going to be one of the busiest places in town.

The seniors have a celebration that makes everyone feel special. On the last Friday of every month, the senior citizens celebrate everybody's birthday and anniversaries that occurred in that month.

All that has to be done is to notify Carol Easley, and to make a reservation, there is a \$2 donation.

Letter To The Editor

Editor:

There are times when criticism is heard louder and more often than praise. Therefore, I would like to publicly thank and praise the Antioch Police Dept., Chief Miller, Lt. Fisher and Plt. Lange for their fine efforts and swift action in the recovery of my snowmobile which was stolen on Jan. 11.

The thief was apprehended and the snowmobile recovered January 13.

Thank you gentlemen.

Legion Auxiliary to share-a-dish

Auxiliary members, Legionnaires and friends will gather Feb. 2, at the Antioch American Legion hall for a share-a-dish supper to celebrate the auxiliary's "birthday".

Checking through some statistics, this reporter finds that the Antioch Unit was chartered in Feb. of 1928!

Do we dare say that we are not getting older, just better!!! Following the 6:30 p.m. supper, a short business meeting will be held before enjoying cards, etc.

During the recent holiday season, our chairmen have been kept busy with their various committees.

Energy Conservation Chairman, Betty Davis, encouraged all to sign pledges asking us to walk when possible, share rides and keep speed at 55 mph; take showers instead of baths; use dishwashers only when full, etc.

She says Conserving Makes Sense, helping our country and saving us cents at the same time.

Community Service Chairman, Estelle Gatch, asks all of the members to help make our community a better place to live. Look for ways to help the handicapped people.

Check for easy access into public buildings, stores, etc. Make use of your local library, aiding them in projects they might promote.

Provide needed services to the senior citizens, such as Meals on Wheels, transportation to and from shopping, doctors and senior citizen centers.

When I think about it Bowl bash bedazzles

BY GLORIA DAVIS

Another "Super Sunday" has come and gone and millions of Americans have lived through the "excitement" of another celebrated annual sports classic.

The remnants of thousands of Super Bowl Parties are littering taverns and family rooms from Encino, Cal. to Bassett, Wis.

Again thousands of upstanding American citizens, who wouldn't knowingly, so much as run a traffic sign and who have been known to go to great lengths to return overpaid change, are guilty of a class A misdemeanor, punishable by a possible jail sentence and a large fine.

I'm talking about all those non-gamblers who participated in one or more of the myriad of Super Bowl pools.

I love the redundancy of more than 22 athletic idols, having gotten to this sport's pinnacle through years of self-denial, hard work and back-breaking training being watched by 180 million countrymen, who are laying back in their lounge chairs with a beer in one hand, a bowl of popcorn at their elbows and an endless variety of snacks within reach, listening to the crunch of bones and

criticizing their knowledge of football.

Why is it that every year, football fans everywhere expect the Super Bowl to be the best game of the year and logically so, since the play-offs are suppose to produce the best team of each league.

Yet, the game that has the most viewers of all, often isn't as exciting as the one played on a normal fall afternoon.

The American media coverage is a strange thing. Look at the last two weeks of headlines, where the return of the hostages all but shoved the presidential inauguration off of the front pages and had the tv commentators switching from Algiers to Washington, not sure which was their lead story.

It's a good thing that Iran didn't hold out a week longer or the networks might have had the same problem in deciding the degree of importance between the hostages' return and the great American gridiron classic.

Nevertheless, Super Bowl Sunday has become as traditional as Mom and apple pie and, I don't know about you but I really enjoy it more each year.

It would be a lot more fun though if I could just once pick one of those winning squares.

A Valentine Party is planned for you. The 'Sweet Adelines' will present the program and as everyone knows, they really make sweet music. During the social hour, wine, cheese, cake and coffee will be served.

The club hopes that all parishioners will make a special effort to be with us. Program Chairman, Ann Kelly has planned this lovely evening for you and is hoping for a nice turnout.

reported that the Voice of Democracy essay banquet would be on Jan. 24, at Woodstock. Tickets were purchased so she and sponsors of Richmond Burton High School can attend.

Engagement—Women research family

CHRISTENSEN-SHERWOOD

Mr. and Mrs. Willard Christensen of Lake Villa announce the engagement of their daughter, Laura A. Christensen of Lake Villa to Donald Sherwood of Bristol, Wis., son of Mrs. MaryDelle Sherwood of Fedhaven, Fla. and the late John Sherwood.

The ceremony is planned to be performed by Father Fassbinder at Prince of Peace Catholic Church, Lake Villa, in June.

The bride and groom-to-be both are 1975 graduate of Antioch Community High School and having been dating since their sophomore year. They both lived in the same subdivision while they were in school.

The bride-to-be is employed as a secretary with Ozite Corporation in Libertyville. The groom-elect is a fiberglasser for Marriott's Great America in Gurnee. The couple has purchased their future home in Bristol, Wis.

The Antioch Woman's Club met on Jan. 19 at the Harbor Ridge Country Club. Two new members were welcomed into the club, Patricia Fitzsimmons and Susan Sheahan.

The program for the day was "Climb Your Family Tree" by Rosalie Stanton Clary. It was very interesting to learn how one can obtain information on writing your family history.

The hostesses for the day were Janet Brook, LuGene Nissen, Barbara Kufalk, Florence Ruck, Shirley Jensen, Iris Schroeder, Patricia Kanabay, Thelma Anderson, Mary Hallett, and Ann Harkness.

The next meeting will be held in the Community Room of the State Bank of Antioch on Feb. 2 at 1 p.m.

The program will be "Tails of the South Pacific" by David Ward Underwauder. He will present slides on underwater photography off the coast of Australia.

It should be most interesting to see these beautiful pictures of both above and below sea level.

The Lake-McHenry County Circuit Court has its second woman judge in Jane D. Walker, Waukegan, who was named to fill Judge William Block's vacancy.

To provide a more effective service to Waukegan/North Chicago transit patrons, the Regional Transportation Authority (RTA) has made major route and schedule changes throughout the Lake County area, effective Jan. 26.

Included in the route adjustments are the following route numbers: 561, Castlecrest via McAree; 562, Gurnee via Sunset; 563, Farnsworth via Naval Station; 564, Jackson to 22nd; 565, Grand; 568, Lakehurst via McAlister; 569, Lewis Crosstown; 570, Fox Lake; 571, Zion/State Line; 572, Hawthorn Shopping Center, Waukegan; and 806, Fox Lake to Crystal Lake.

Weekday service on Rte. 561 now departs Lewis and Yorkhouse in Waukegan at 5:35 a.m. instead of 5:05 a.m.

MIDDAY AND Saturday service on Rte. 562 to Gurnee Industrial Park has been eliminated.

Northbound, Rte. 563 will no longer enter the ground of Downey Hospital. However, service to the hospital is provided by all southbound trips.

Weekday service on Rte. 564 now operates every 60 minutes. Saturday service begins at 8:30 a.m. instead of 7 a.m.

All trips on Rte. 565 which formerly terminated at Grandwood Park, has been extended to College of Lake County.

Service on Rte. 567 (Washington) will be combined with Rte. 572 (Hawthorn). It now provides 30 minute service between Genesee and Washington Sts. and the College of Lake

County. Genesee and Washington Sts. is the major transfer point for the Waukegan local bus service.

EFFECTIVE SATURDAY, Jan. 31, additional service will be provided on Rte. 568 from Genesee and Washington Sts. to the Lakehurst Shopping Center via Washington, Lewis and Belvidere Sts. The additional service is to accommodate the large number of passengers presently using the route.

Route 569 has minor schedule adjustments, which reflect similar revisions of connecting services: Rte. 561, Castlecrest via McAree; 562, Gurnee via Sunset; 563, Farnsworth; 564, Jackson; 565, Grand; 568, Lakehurst; and 572, Hawthorn.

Portions of Rte. 570 were eliminated due to continued low ridership. They are: the Fox Lake feeder, service to the Round Lake Commons Shopping Center, the Milwaukee Road's Round Lake Station and service between the College of Lake County and Grandwood Park. The route now operates every 60 minutes between the College of Lake County and the Lakeland Shopping Plaza in Fox Lake from approximately 6 a.m. to 7:30 p.m.

WEEKDAYS ONLY Rte. 571 has added a trip in the morning departing the Illinois, Wisconsin State Line at 6:32 a.m., arriving at Genesee and Washington Sts. in Waukegan at 6:57 a.m. in order for those commuters who are employed at Downey Hospital to transfer to Rte. 563. Also, Rte. 571 was rerouted to serve Shiloh

Towers in Zion.

Minor adjustments to Rte. 572's Sunday schedule were made to provide better service to Hawthorn Shopping Center. Weekdays, service from Genesee and Washington Streets to the College of Lake County operate every 30 minutes from approximately 5:54 a.m. to 8:58 p.m. Service will now terminate at Washington and Genesee Sts. and will no longer operate to the Chicago and North Western Railroad's Waukegan Station.

PORTIONS OF Rte. 573 were eliminated due to continued low ridership. They are: Channel Lake, North Antioch and Grandwood Park. Rte. 573 operates every 60 minutes from approximately 6:30 a.m. to 7:30 p.m.

Minor schedule adjustments were made to Rte. 806. Weekdays only, service now operates every 60 minutes between Lakeland Shopping Plaza in Fox Lake and the Chicago and North Western Railroad's Crystal Lake Station from approximately 5:51 a.m. to 7:05 p.m.

Schedules are available at the RTA McHenry County Regional Affairs Office, 101 N. Main St., Crystal Lake, 815-455-2855 or by calling RTA Travel Information, toll free, 800-972-7000.

Antioch 1981 VIP nominations are sought

St. Peter's is busy making preparations for the Thirteenth Annual VIP Dinner Dance scheduled for Saturday, March 28, in the St. Peter Social Center, according to Co-Chairmen Jim and Monika Coyle.

The Nominating Committee asks you, everyone in the Antioch Community, to make your personal choice of a candidate for this honored position. On the ballot below, please name your VIP candidate and give an explanation as to why this person merits the consideration of the community for this title of VIP of Antioch.

Previously honored as Antioch VIP's were Jim McMillen, W.C. Petty, William Brook, Rudy Eckert, Albert Dittman, Fern Watson, Elmer and Gert Zimmerman, Herman Holbeck, Hank and Ricky Apostol, Gene and Eileen Zannini, Lloyd "Red" Murrie, and Lee Ipsen.

The deadline for accepting ballots is Monday, Feb. 16, at 9 a.m. Please take the time to complete the ballot and return it by mail to St. Peter Rectory, 557 Lake St., Antioch or put it in the collection basket at any of the Masses. Phone call ballots will be accepted but written entries are preferable — 395-0274.

My nomination for 1981 VIP to be honored on March 28, 1981 is:

I made this choice because

Deadline nears

Marlo Good, chairman of the Miss Lakes Region Pageant has announced that Sunday, Feb. 8, is the deadline for applications to be submitted.

The competition to select Miss Lakes region on March 28, 1981 at Antioch Community High School is sponsored by the Antioch Chamber of Commerce and Industry.

Bill Groeninger, co-chairman has called for civic and social organizations in the northern Lake County area to sponsor candidates and encourage individual young women to submit their own names as entries.

In order for a business or organization to sponsor a candidate, a \$100 scholarship donation pledge can be made to Bill at the State Bank of Antioch. The candidate representing the business or organization will wear a banner throughout the competition bearing the business' name. Throughout the entire pre-pageant, pageant and post pageant activities, the candidate will be referred to as representing the business, along with publicity write-ups and pictures.

For more information on becoming a sponsor, contact Bill Groeninger at the State Bank of Antioch.

Since the National Miss America Pageant is a non-profit organization where the only beneficiaries of proceeds are the local, state and national pageant contestants, it is hoped that the

communities in the Lake County area will respond with scholarship contributions or gift items. All scholarship donations and prizes will be awarded to Miss Lakes Region and the first and second runner ups selected March 28th.

Emmons honors told

The following students have attained honor roll status for the second nine weeks grading period:

EIGHTH GRADE: Denise Boudin, Patti Grego, Kathleen Lawrence, Brad Poulter.

SEVENTH GRADE: Beth Dubek, Kelly Gatti, Karen Hoft, Stan Kuligowski, Christy Racz, Scott Ranney, Loretta Shanley.

SIXTH GRADE: Mary Bodin, David Chisholm, Christine Johnson, James Kuechle, Michelle Pavelski, Richard Ruck, Linda Sexton, Traci Villa.

In order to be on the honor roll, a student must have at least two A's and two B's or three A's and one C in the four academic subjects, and no other marks lower than C.

In character traits, no grade of U will be allowed for the honor roll. In order to receive a year-end award, a student must be on the honor roll three times.

Along the way with ANNIE MAE

After hearing all the Antioch political pros and cons being tossed about at Saturday's Chamber Dinner Dance, since some of the candidates are offering to return all or part of the mayoral salary, I've come to the conclusion that the seventh candidate who offers to pay \$4,000 to the village each year that he is mayor might be a viable one:

Great credit to the quality of the Ken Smouse's drama lessons at Antioch High School, is the many former students that have gone on in the acting profession.

Tod Seisser is studying at Goodman Theater in Chicago, and working with their children's and downtown theater.

Jeff Smouse is the sound technician at the Lincolnshire-Marriott Theater and Brian Sorrenson just opened in "Bent" at Chicago's Wisdom Bridge Theater.

Mike Shapiro is in the repertoire company at the St. Nicholas Theater and Sandy Lindberg is in "Rebecca" at the Oak Park Theater.

Good news and bad news—Lillian Niemann the personable manager of Antioch's Globe Store has been promoted to managing the Globe's Lakehurst store.

We'll miss Lillian's smiling face when we are shopping.

Thomas Lorang, son of Mr. and Mrs. John S. Lorang, graduate of Carmel High School, has just qualified for the Dean's Honor Roll in Mechanical Engineering at the Milwaukee School of Engineering.

Navy Boatswain's Mate Third Class Timmy G. Sanderson, son of Alice Sanderson is a crewmember aboard a fast combat support ship USS Camden, currently deployed in the western Pacific and Indian oceans.

The flu is really taking its toll, Warren Polley said that on one day last week Antioch Community High School had 300 students on the absentee list. That's twice the norm.

Who says that people don't care about people anymore?

The Antioch Police Dept. had three people in the station at the same time, midnight, last Saturday reporting that a person had passed out in a car in front of the train crossing at North Ave. and another person was at the scene checking the incident.

ACHS win big

Antioch Community High School (ACHS) freshman basketball teams each won two games last weekend to continue their winning ways. The "A" team defeated Lake Zurich 50-34 and Woodstock 46-34. The "A" team record is now 8-2 overall and 5-0 in the conference. The "B" team routed the Bears 51-22 and won at Woodstock 45-36. The "B" team record is now 5-2 overall.

In the "A" game with Lake Zurich, John Humphreys led all scorers with 14 points. Don Berkiel added 10 points and eight rebounds and Frank Mohar chipped in eight points and 11 rebounds.

Craig Prather also scored eight points in Antioch's balanced attack. At Woodstock Berkiel led in scoring with 14 points along with John Mohar who also had 14. Frank Mohar added 10 points and led in rebounds with 10.

In the "B" game with the Bears, Rod Steiskal led the 10 Antioch scorers with 12 points. Greg Herman and Bryon Becker each scored eight points. At Woodstock Ed La Plante was leading scorer with 10 as Chris Harp and Tom Hensel each hit for eight points and Tom McLellon added six.

Sequoit netters take two, lead tie-breaker next

The Antioch Varsity basketball team is heading for the conference lead tie-breaker against Stevenson this Friday, Jan. 30, at Stevenson, with a record of 10-5 overall and 6-0 in the Northwest Suburban Conference.

Stevenson also has a 6-0 conference record and Friday's game will produce a conference leader.

On Friday, Jan. 23, the Sequoits had a narrow squeak against the Grant Bulldogs, winning by 51-50.

Coach Roger Andrews blamed the narrow win margin partly on the fact that his guards, who had been doing a good job to date, "didn't respond."

Antioch actually won the game at the free throw line, making nine out of 16 attempts while Grant made four out of seven.

Dee Maras was high scorer with 17 points, followed by John Ploss who had 14 and Pete Weber who sank six for 12 points.

With 42 seconds remaining in the game, the Sequoits took the lead with a bucket sunk by Weber off an inbound play.

Mara Clinched the game with 16 seconds left, making the score 51-48.

The Bulldogs made a basket just as the buzzer sounded, making the final score 51-50.

On Saturday it was a different story as the Sequoits took Lake Forest, with points to spare, 83-69.

Ploss lead the scoring with 29, Maras, 24 and Weber was close behind with 22.

According to Andrews, Guy Abderholden came in off the bench to do a "credible" job.

The Sequoits took an 18 to 10 lead in the first quarter and led the game from then on but quite a few turnovers kept it a close game.

"Lake Forest used the press a lot which made it an exciting game for the fans," says Andrews.

Girls win

The Antioch girls basketball team's first half of its Northwest Suburban Conference season comes to an end with one of the toughest tests for the Sequoits to date.

The Sequoits host Stevenson, which goes into league action this week unbeaten in the conference, Tuesday, Feb. 3.

"They're our biggest competition right now, since we've already played Warren," Lorraine Dresser, Antioch head coach said.

THE KEY IN the next few games for Antioch, according to Mrs. Dresser, will be how well the other four girls are able to pick up the scoring when Tracy Manuel is cut off.

"We've got to look to four other people who all can score," Mrs. Dresser explained. "They double team Tracy (Manuel), but she still gets points off the boards."

The Sequoits upped their overall record to 9-3, 3-1 in the NWSC, with a 57-33 victory over Grayslake at Antioch Jan. 20.

Manuel led the Antioch scoring with 27 points.

Suzanne Fritz had nine and Renee Tell added eight.

Sharon Meyer was tops for Grayslake with 14 points.

IN THE rebounding department, Manuel led Antioch with 15 boards. Sherry Showalter led Grayslake with 11.

Antioch outrebounded Grayslake 39-25.

Antioch was scheduled to play at Wauconda on Jan. 27.
